## Warranty and Service Implications:

The Glow Front Case Replacement Assembly (10154597) will no longer be sold.

If an ALTAIR 2X Glow product requires warranty or service, the corresponding Charcoal Gray (C) version will be substituted to meet the need (10148956).

No approvals or certifications of the device are changed by replacing a Glow (G) front case assembly with a Charcoal (C) front case assembly.

We sincerely apologize for any inconvenience this may cause. Please be assured that MSA is committed to maintaining continuity of supply for your gas detection needs in the best way possible and will continue to communicate changes effectively as they occur.

Kind regards,
