To:	MSA Canada End-User
Subject:	Fall Protection Recertification/Repair Price List with Spreadsheet
Date:	January 1, 2019

Dear Valued Customer

Attached is our new Flat Fee Price List for Fall Protection Service on page 2 of this notification which takes effect January 1, 2019.

MSA Canada's Fall Protection Recertification/Repair Policy has no bearing on repairs performed by authorized MERIT Repair Centres. MERIT Repair Centres can establish, or maintain, their own pricing structure and policies regarding Fall Protection Inspections and Repairs.

We require that all units sent to us, regardless of Recertification or Repair, be accompanied with a a Purchase Order, Credit Card Number or direction on how to charge for the work performed for at least the cost of a Recertification as this will speed up the process and help us return the product to you as quickly as possible. If our examination reveals that the unit has to be Repaired or Upgraded we will notify you to get your approval to proceed based on the Flat Fee List Price for a Repair/Upgrade. There are no itemized estimates or quotations provided for items with a Flat Fee price.

The Repair Centres will charge an Inspection Fee of \$ 178.00 CAD per unit if a Customer elects not to proceed with a Repair or Upgrade.

Feel free to call the MSA Toronto Repair Centre at (416) 620-4225 or MSA Edmonton Repair Centre at (780) 483-0988 for further details or questions.

We, the MSA Canada Repair Centres, appreciate our business partnership with your organization and look forward to continuing efforts of servicing our Customers.

Sincerely,  
Jordan Stang
