

### Global Leaders in Fall Protection

Because we provide customised fall protection solutions all around the world with our range of Latchways® systems, MSA has a thorough understanding of any given country's safety concerns and needs. We have wide-ranging support, too, as our product leadership is backed by a worldwide network of highly trained registered installers and contractor companies.

And MSA is always thinking ahead—monitoring legislative developments around the world so that we can respond quickly with products and services designed to comply with new regulations without sacrificing productivity. Simply put: MSA is fluent in the global language of fall protection. Our trusted systems and award-winning components can be found on major stadia, bridges, art galleries, transport hubs and airports around the world.

### Commitment to Safety

MSA is very proud to partner with Masterspec, New Zealand's premier on-line provider for construction and design resources and specification tools
