*PO Number will be used only if the loaner unit is not returned per the above agreement.

PLEASE NOTE:

- **MSA** loaner unit requests will only be considered when completed by Fire Departments and end users that are returning their units to **MSA** for repair. Your unit must arrive within 10 business days of receiving the **MSA** loaner unit or billing will begin at \$75.00 per day until your unit arrives.
- Ten business days after your unit is repaired and shipped to you, billing will begin at \$75.00 per day until the loaner unit is returned.
- Your loaner will be shipped in a hard case and will include an instruction manual that must be returned with the loaner.
- You will have 15 business days to make a decision regarding the repair of your TIC after receiving the estimate/evaluation on your unit. After 15 business days, your unit will be returned unrepaired and the **MSA** loaner unit, including hard case, must be returned according to the above agreement.
- Any damages done to the unit, or failure to return unit including hard case, may cause you to forfeit the privilege of obtaining a loaner unit from **MSA** in the future and in cases of negligence may be subject to a reasonable charge. Shipping damage must be reported to **MSA** and the shipper immediately upon receipt of the unit.
- Loaner units will be shipped next day air with adult signature required.
