3M™ Cavilon™ Extra Dry Skin Cream.

A specially formulated moisturiser for dry skin.

3M™ Cavilon™ Extra Dry Skin Cream is a moisturising cream that is ideal for individuals with diabetes or other skin conditions. The pH balanced, lipid rich formula lasts 24 hours to soften and relieve rough, cracked or scaly skin.

- Non-greasy – vanishes into skin
- Silky, rub-on feel
- Hypoallergenic
- Latex-free

It has been shown that twice-daily moisturising can reduce the risk of skin tears¹. Use Cavilon Extra Dry Skin Cream as part of a daily skin care protocol.

Suggested applications:

- Moisturise rough, cracked or scaly skin
- Help prevent dry skin
- Ideal for individuals with diabetes or other dry skin conditions
- To help prevent skin tears¹

Lipids are a critical component of the upper layer of the skin (the epidermis). A lipid-rich moisturiser will help to smooth and replenish the condition of this layer.
