Warranty, Limited Remedy, and Disclaimer: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. User is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application. Unless an additional warranty is specifically stated on the applicable 3M product packaging or product literature, 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.

**3M** Science.  
Applied to Life.™

3M™ Water Filtration Products

Precision blending.  
Applied to creating  
intelligent water.

3M™ ScaleGard™ Blend  
Series of Products

Announcing an exciting breakthrough in  
water filtration technology for the food  
service industry: a leading-edge, powerful  
system that combines high quality water  
filtration systems with mobile monitoring  
capabilities, which helps save money,  
provides water that will please your  
customers' palates, and monitors your water  
filtration equipment remotely.\*\*

# 3M™ ScaleGard™ Blend Series of Products

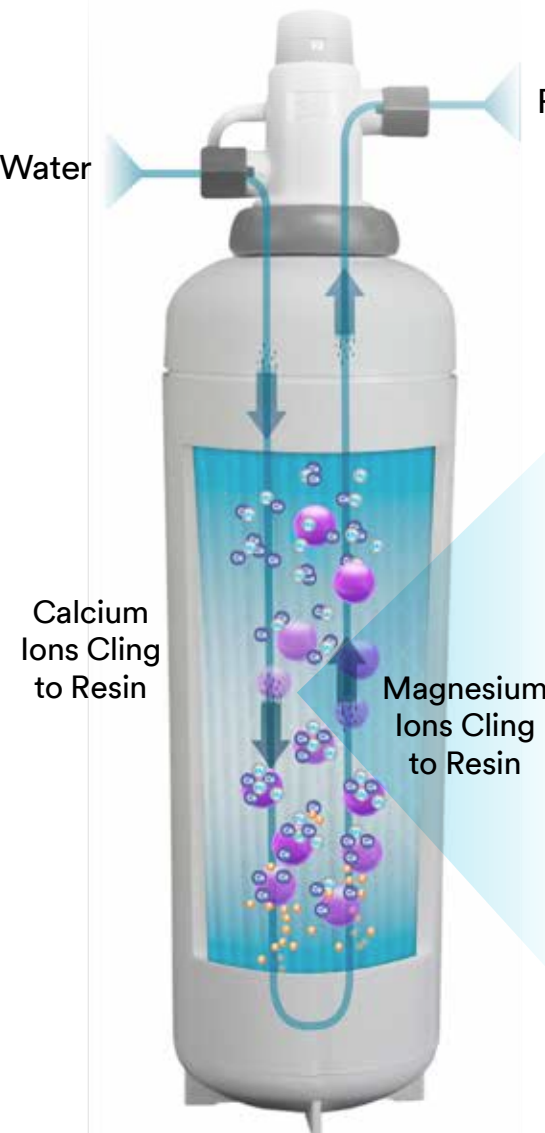

3M™ ScaleGard™ Blend Series of Products' **quadruple-action filtration** provides protection against:

- Hard scale
- Corrosion
- Chlorine taste and odor
- Chloramines

3M™ ScaleGard™ Blend Series of Products reduces chlorine taste and odor, as well as chloramines that can react with metal, plastic and rubber materials which may cause equipment damage. High-capacity scale reduction also helps provide superior equipment protection from hard scale and corrosion.

Challenged Water → Recipe Quality Water™

- Premium Carbon Block Technology for *great tasting water.*
- Sanitary Quick Change (SQC) cartridge for fast and easy change-outs.
- High-capacity buffered ion exchange resin reduces Calcium and Magnesium ions that can cause hard scale build up on equipment.
- Built-in corrosion protection incorporates a buffered resin to minimize shift in pH that could otherwise contribute to corrosion.

## Easy-to-operate, adjustable dial for precision blending.

Custom water quality you control: the operator simply dials the desired level of hardness minerals for Recipe Quality Water™. The system even remembers previous blend settings when replacing cartridges.

## Just the right hardness minerals for Recipe Quality Water

- Hard scale and corrosion protection control
- Product consistency and taste
- Reduced maintenance and kitchen equipment downtime

## Precise Blend Filter Heads & Cartridges

3M™ ScaleGard™ Blend Series of Products for coffee, espresso, vending, steamers and combination ovens.

For Recipe Quality Water™, lower maintenance and downtime, and the power of remote monitoring

Delivering control at your fingertips. 3M™ ScaleGard™ Blend products are available with an optional filtration monitor and innovative app that allows the operator to track the life cycle and status of multiple cartridges in multiple locations directly from a smart phone, tablet or PC – no matter where you are, anywhere in the world. It also comes in multiple languages.

Never forget to change a cartridge.

- Order and replacement cartridge notifications (light, audio, email)
- Easy to install and operate
- Battery or AC powered
- Helps maximize cartridge life
