Refer to the indications for use provided in the monitoring product Instructions for Use. The indications should align with the sterilization cycles to be monitored.

This offer is available to health care provider facilities with sterilization departments within the 50 states that comprise the United States of America and Washington D.C. The 3M™ Attest™ Auto-reader 490 or the 3M™ Attest™ Mini Auto-reader 490M as part of the Kit that is being provided at a discounted charge has a total value of \$995 (490) or \$580 (490M). The Auto-reader equipment value that you are receiving from 3M is a discount or other reduction in price under federal law at 42 U.S.C. §1320a-7b(b)(3)(A) and regulations issued there under. Accordingly, you are responsible for reporting/or providing information on all discounts, rebates, or reductions in price to reimbursement agencies (including Medicare and Medicaid) and other entities in accordance with all applicable laws and regulations, including the provisions of the discount exception at 42 U.S.C. §1320a-7b(b)(3)(A) and the discount safe harbor regulation at 42 C.F.R. §1001.952(h). Further, you shall promptly disclose and appropriately reflect any discount, rebate or other reduction in price as may be required under Medicare or any other federal or state health program, consistent with the requirements of the Medicare/Medicaid Antikickback Statute and regulations.

3M reserves the right to determine the number of 490 or 490M kits it will sell to any facility. 3M reserves the right to discontinue and/or change this offer at anytime.

*Two-year commitment to purchase monitoring products as defined below begins upon shipment of the 490 or 490M Kit to your facility and will end two years thereafter, unless otherwise terminated by your facility upon ninety (90) days written notice to 3M. Early termination will require your facility to return the Attest Auto-reader to 3M.
