

**3M** Science.  
Applied to Life.™

**3M™ Impression Tray**  
Directed Flow Disposable Impression Tray  
For preliminary and final impressions

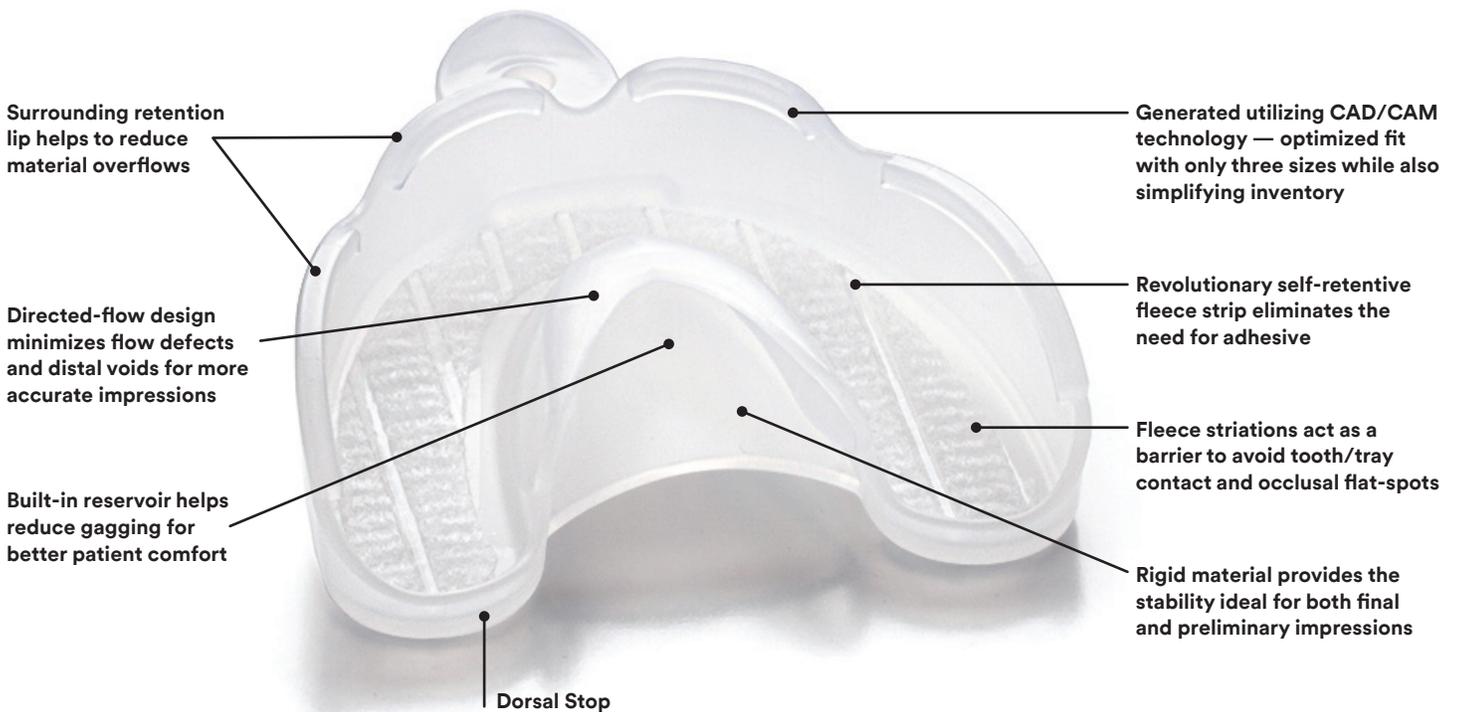

## Skip the tray adhesive.

Save time with the ready-to-use 3M™ Impression Tray. Simply fill directly from the mixing device. The unique design controls material flow, minimizing defects and voids. And the fleece strip replaces messy, time-consuming tray adhesives.

# 3M™ Impression Tray

Try our truly unique, single-use impression tray designed with a fleece strip to keep impression material in the tray, eliminating the need for tray adhesive.
