

# Let's change the story of fluoride together

## 3M™ Clinpro™ Clear Fluoride Treatment

It's time to switch! This new simplified, water-based formulation is easy, effective and more comfortable for patients.

3M Health Care is now Solventum

**Effective fluoride uptake** at a lower dosage (2.1%)

### Clear, water-based formulation

- Suction-line friendly
- Rosin-free
- Improved taste, smell and mouthfeel

### Easy to use

- One-handed, press-and-go activation
- Apply in a simple sweeping motion

Minimum contact time of just **15 minutes**

## Experience the difference

With improved benefits compared to traditional varnish treatments, 3M™ Clinpro™ Clear Fluoride Treatment is revolutionising fluoride treatment;

- Clear, water-based formulation
- Quick and easy unit-dose dispensing and application
- Improved taste, smell, and mouthfeel
- Minimum contact time of just 15 minutes
- Effective fluoride uptake with lower dosage
- Suction-line friendly formula
