

3M™ V.A.C.® Ready Care Program

The V.A.C.® Ready Care Program is an onsite consignment program for the post-acute 3M™ ActiV.A.C.™ Therapy System. By having the V.A.C.® Ready Care Program kit on site, the negative pressure wound therapy unit and starter supplies will be readily available at the facility.

3M™ ActiV.A.C.™
Therapy System:
Designed for
Post-Acute Care

The potential benefits from having 3M™ V.A.C.® Therapy readily available are:

- Elimination of discharge delays related to delivery of products
- V.A.C.® Therapy is ready immediately upon insurance approval
- Improved patient satisfaction due to smoother process

How to get the 3M™ V.A.C.® Ready Care Program:

- 1** Contact your local 3M Account Representative to begin taking advantage of the free V.A.C.® Ready Care Program.
- 2** 3M™ ActiV.A.C.™ Therapy System starter kits will be delivered, stored onsite, and automatically replenished.
- 3** Conveniently place your V.A.C.® Therapy order online through 3M™ Express Program for patients ready to be discharged.
- 4** After the authorization process, immediately apply V.A.C.® Therapy for continued therapy.

By having the 3M™ ActiV.A.C.™ Therapy Unit stored onsite, the V.A.C.® Ready Care Program eliminates the delivery step by having the unit readily available onsite.

Contact your local 3M Account Representative, call the 3M Health Care Helpline at 1-800-228-3957, or visit 3M.com/Medical for more information.

NOTE: Specific indications, contraindications, warnings, precautions and safety information exist for these products and therapies. Please consult a clinician and product instructions for use prior to application. Rx only.
