Device Disposal: At the end of therapy, follow local institutional protocols for infection control and waste disposal procedures for dressings and canisters. Local protocols for the disposal of the 3M™ V.A.C.® Via, 3M™ Prevena™, and 3M™ Prevena™ Plus Devices should be based on applicable government environmental regulations for recycling electronic devices.

Note: Specific indications, contraindications, warnings, precautions, and safety information exist for these products and therapies. Please consult a clinician and product instructions for use prior to application. Rx only.
