

Empower your practice.

Offer your patients 3M™ Clarity™ Aligners Flex, available on 3M™ Oral Care Portal.

Helping your patients achieve healthy, beautiful smiles is what drives you, and now you have a new way to deliver exceptional patient experiences with impressive results—Clarity Aligners Flex.

This innovative aligner treatment is a great opportunity to provide full-service treatment solutions for your patients and take your practice to the next level.

100%*

of surveyed doctors using
3M™ Clarity™ Aligners
would recommend
them to their peers.

Doctors love them for a reason.

3M™ Clarity™ Aligners Flex

Actually, they love them for many reasons. Reasons like excellent force persistence over a two-week period, a design that resists scratching, and flexibility that provides patient comfort on insertion and removal. There's also the helpful, accessible and responsive clinician support.

Designed for comfort

**Better stain resistance than
Invisalign® SmartTrack®
aligner material***

Thin, flexible design

**Excellent sustained force persistence
over a two-week period**

Resists scratching

100%

of patients
surveyed would
accept Clarity
Aligners when
selected by their
provider.*

Offer even more esthetic services.

3M™ Filtek™ Matrix

The Filtek Matrix is a digitally designed anterior matrix that helps simplify restorative procedures for you and your patients.

Predictable Outcomes

Increased confidence with results aligned to digital design

Conservative Treatment

Preserve healthy tooth structure

Esthetic Results

Durable composite restorations aligned to planned dentition shape

Efficient Procedure

Helps save time and effort compared to the free-hand technique

Two esthetic treatments, one powerful platform.

3M™ Oral Care Portal

Featuring cloud-based accessibility for aligner and dental restorative treatment plans, the Oral Care Portal is your one stop source for Clarity Aligners Flex and the Filtek Matrix. It positions you and your practice at the center of your patient experiences and allows you to deliver comprehensive care.

Through our customer-first service and forward-thinking esthetic solutions, we help you to engage patients and provide effective treatments that deliver successful outcomes for your patients and your practice.

An intuitive and simple ordering process.
