

Get greater Clarity.

Combine the efficacy of 3M™ Clarity™ Aligners and the power of the 3M™ Oral Care Portal to grow your practice and engage your patients.

Two distinct material thicknesses in a single treatment design.

Excellent initial and sustained force persistence.

Stain resistant.

Complete treatment with Clarity Retainers.

Simple to complex cases.

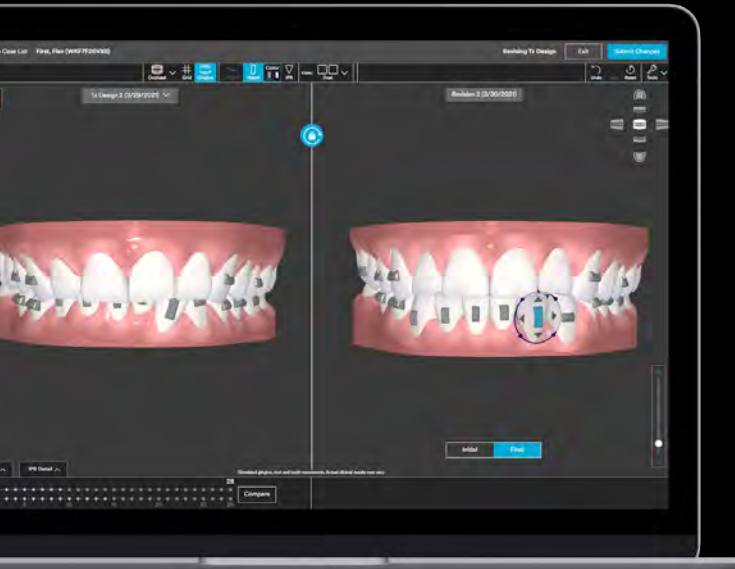

Straight trimline contributes to overall esthetics and patient comfort.

Nearly invisible.

One simply powerful platform.

Featuring cloud-based accessibility for Clarity Aligners and 3M™ Digital Bonding treatment plans, the Oral Care Portal is your one-stop source for orthodontic treatment planning. It positions you and your practice at the center of your patients' experiences and allows you to provide comprehensive care. Time to harness the power of the Oral Care Portal to deliver the beautiful, healthy smiles your patients want.

An intuitive and simple ordering process.

Provide Rx details

5. Review
Review and submit order

A Progress Scan* showing the evolution of treatment can be generated in just 4 to 6 minutes.

HIPAA compliant
Unique staff credentials

100%*

of surveyed doctors agree they receive
excellent support and service
from the Clinician Support Team.

Time saving features:

- ✓ Movement grid
- ✓ Access to full history of patient records
- ✓ Customizable notifications
- ✓ Searchable help center content
- ✓ Patient and case notes

I find that the portal is very user friendly, easy to understand and easy to fill out...

It's so intuitive and it's web-based...and they have an open system where you can use any scanner."

Dr. Diane Milberg

The idea that you have one online platform with all of your treatments is hugely beneficial for us as doctors."

Dr. Christian Groth
