

The key to keeping a perfect smile? Retention, clearly.

3M™ Clarity™ Retainers

Why Clarity Retainers?

- Digitally remove appliances to retain fixed appliance and aligner cases
- An all digital approach — retainers can be ordered from a new scan or final aligner stage
- Designed for optimal patient comfort
- Increased durability to withstand more insertions and removals
- Direct-to-patient delivery saves you an extra step

Warranty

All retainer orders come with a one year warranty.

Time Savings

Doctor approval is not required for retainer orders, which accelerates the ordering and shipping process and reduces a step for your team.

“ I wear 3M™ Clarity™ Retainers, and the plastic is extremely comfortable... My patients are also thrilled with the lightweight feel and have never been more pleased.”

— Dr. David Pechersky, Pechersky Orthodontics

The results are in:

- ▶ 100% of surveyed doctors expressed their satisfaction with Clarity Retainers
- ▶ 100% of surveyed doctors stated that they would recommend Clarity Retainers to their peers
- ▶ 100% of surveyed doctors agreed that Clarity Retainers are effective for retention following orthodontic treatment
- ▶ Most doctors stated that Clarity Retainers were better than their current retainer solution.

Based on a survey conducted after at least three (3) months recall with Clarity Retainers.

3M Health Care is now Solventum.
