SHOWER WALL PANELS & PANS

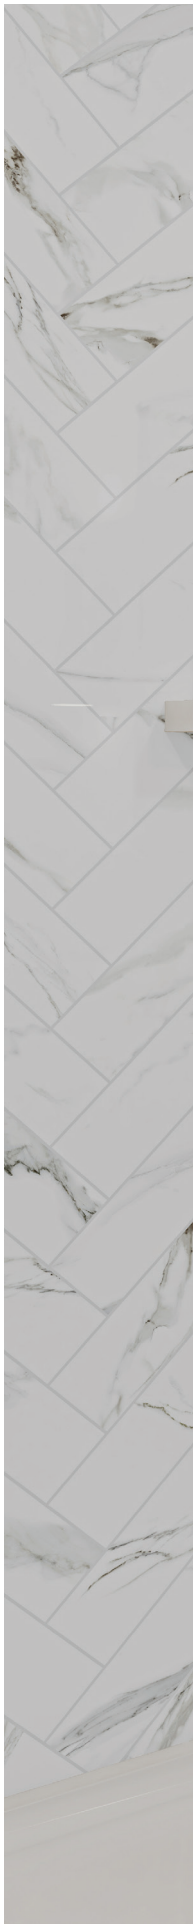

by daltile

GEOMETRIC LOOK | STONE LOOK | SUBWAY LOOK | ACCESSORIES

BEAUTIFUL SHOWER **DESIGN MADE SIMPLE.**

Marvellaire recreates the dimensional look of individual tile across full-size surface panels, bringing the beauty of classic tile patterns and natural stone visuals to life in a coordinated shower solution. From timeless subway designs and modern geometrics to elevated stone looks, Marvellaire makes it easy to create a space with distinctive style.

Beyond beautiful design, the full-size panel format offers a more streamlined approach to creating the finished look of tile. Marvellaire can help simplify installation, reduce jobsite mess and minimize the time and labor associated with traditional tile applications. Coordinating shower pans, shelves and accessories bring every element together, creating a complete shower solution that is as practical as it is beautiful.

- Water and moisture proof (not designed for continued immersion)
- Quick Install
- Groutless Panels
- Resistant to mold & mildew
- Non-Porous (no sealers required)
- Designed for indoor applications only

POSSIBLE INSTALLATIONS

Marvellaire offers two versatile installation possibilities to suit your space. Explore examples of both standalone shower and tub surround solutions to find the right fit for your design.

Standing Shower

Shower With Tub

GEOMETRIC LOOK

STRUCTURE, SIMPLIFIED.

Clean lines and dimensional patterns bring architectural interest to the shower with a distinctly modern point of view. From streamlined stacks to subtly textured surfaces, Marvellaire Geometric creates a tailored sense of rhythm and dimension while maintaining an effortlessly refined aesthetic.

MARVELLAIRE GEOMETRIC

ACCESSORIES

COMPLETE THE LOOK FROM TOP TO BOTTOM.

Thoughtfully designed shower pans, corner shelves and wall shelves bring the finishing touches to Marvellaire. Coordinating accessories in Snowcap color create a cohesive foundation while adding function exactly where it is needed, for a shower solution that feels beautifully considered down to the last detail.

INSTALLATION

Use	Shade Variation	Underlayment
Interior only.	**Geometric**: Low (V1) **Subway:** Medium (V2) **Marble:** Random (V4)	Not Required

APPLICATIONS

	Target DCOF wet	Suitable
Dry & Level – Interior Floor	N/A	
Wet & Level – Interior Floor	≥ 0.42	
Shower Floors	≥ 0.42	✓
Exterior Floor Applications (including patios, pool decking & other wet areas with minimal footwear)	≥ 0.60	
Ramps & Inclines	≥ 0.65	
Walls/Backsplashes	N/A	✓**
Countertops	N/A	
Pool Linings	N/A	

A DCOF value of ≥0.42 is the standard for tiles specified for level interior spaces expected to be walked upon when wet, as stated in ANSI A137.1-A326.3. For more information about DCOF and the DCOF AcuTest™, visit daltile.com/DCOF.

APPLICATION NOTES:

Marvellaire Panels and Accessories are suitable for interior applications only (provided it is noted as suitable in the applications chart above) when proper installation methods are followed.

*Shower pan center drain and trench drain only.
**Panels and shelving units only

NOTES

Marvellaire™ panels are intended for indoor use only and not intended for outdoor exposure to sunlight. Avoid extended exposure to heat sources such as extremely high temperature.

Please refer to the Marvellaire Installation Guide for installation instructions.

Please refer to the Marvellaire Care and Maintenance Guide for cleaning instructions.

Read the Safety Data Sheet for additional safety information.

WHERE **MARVELLAIRE** WORKS

Marvellaire Shower Wall Panels & Pans are ideal for large-scale residential and commercial projects requiring multiple shower installations. To streamline ordering and fulfillment, panels are sold exclusively in full-pallet quantities, with 18 panels per pallet in the 62″ x 96″′ size and 36 panels per pallet in the 31″ x 96″ size. Marvellaire is a perfect solution for:

HOME BUILDERS
